9 TERMS AND CONDITIONS	
9.1 Broker-Carrier Agreement. This Rate Confirmation is governed by and incorporates by reference the Broker-Carrier Agreement between ShipCS Logistics, a division of Continental Expedited Services (Broker), and the carrier identified in Section 1 (Carrier). If no master agreement is on file, Carrier acceptance of this Confirmation constitutes acceptance of the standard Broker-Carrier terms posted at shipces.com/carrier-terms.	
9.2 Insurance. Carrier maintains in force the following minimum coverages: Auto Liability \$1,000,000 combined single limit; Cargo \$100,000 per occurrence; Workers Compensation as required by law in every state of operation; General Liability \$1,000,000. ShipCS Logistics must be named as Certificate Holder. Carrier provides updated Certificate of Insurance on request within 24 hours.	
9.3 Confidentiality and non-solicitation. Customer identity, lane details, and rate information are confidential. Carrier may not directly solicit, quote, or transport freight for any ShipCS customer for 12 months from the later of (a) the date of this Confirmation or (b) the last load tendered to Carrier by ShipCS for the same shipper. Liquidated damages for breach: 15% of the gross revenue earned from solicited freight during the restricted period, payable to ShipCS.	
9.4 Damage and claims. Carrier is responsible for cargo from the moment freight is loaded onto the trailer to the moment it is signed for at destination. Claims must be filed in writing within 9 months of delivery. Carrier responds in writing within 30 days. Carrier may not offset claims against open invoices without ShipCS written approval.	
9.5 Driver and safety. Carrier confirms the assigned driver holds a valid CDL appropriate for the equipment, is current on hours of service, has the required endorsements (Hazmat, Tanker, Doubles/Triples, TWIC, FAST) where this load requires them, and is not on the FMCSA out-of-service list. ELD compliance is required.	
9.6 Right to inspect. ShipCS or the customer may inspect the trailer at pickup. Carrier consents to seal verification at any stop. Seal number must be recorded on the BOL and may be verified at delivery.	
9.7 Force majeure. Neither party is liable for delay or non-performance caused by acts of God, war, terrorism, government order, strike, riot, or natural disaster. The affected party gives notice within 24 hours and resumes performance promptly when the cause ends.	
9.8 Acceptance and counter-offers. Acceptance is by signature in Section 11 or by the carrier hauling the load. Carrier may not unilaterally change the rate, equipment, or service terms. Counter-offers must be sent in writing to ops@shipces.com and accepted by ShipCS in writing before the load picks up. Verbal modifications are not binding.	
9.9 Cancellation. ShipCS may cancel this Confirmation at any time prior to pickup. If cancellation occurs after Carrier has been dispatched to the pickup, TONU of \$150 applies per Section 7. Carrier cancellation after acceptance requires 12 hours notice; less than 12 hours notice incurs \$250 service-failure fee, deducted from any open settlements.	
9.10 Governing law. This agreement is governed by the laws of the State of Ohio without regard to its conflict-of-laws principles. Disputes are resolved in Putnam County, Ohio courts unless ShipCS elects otherwise.
